

NZ national Myrtle Rust (MR) surveillance

Data as of 14 May 2019

Data compiled from:
Ministry of Primary Industries, Department of Conservation, Plant and Food Research, Botanic Gardens, iNaturalist (Myrtle rust reporter App, <https://www.inaturalist.org/projects/myrtle-rust-reporter>)
NB: DoC data not complete this month

Map by Rebecca Campbell (Plant and Food Research). Funded by B3. To get your data on the map please contact rebecca.campbell@plantandfood.co.nz

We would like to acknowledge the significant contribution from staff at MPI and DOC who were involved in collecting, compiling, anonymising and formatting the large amount of data since the beginning of the NZ MR response. This data was critical to improving the coverage and quality of data. Diagnostic validations were provided by plant pathologists at the Plant Health and Environment Laboratory (PHEL-MPI).
