

WATER SAVING ACTIONS IN THE KITCHEN

Save water, electricity and money with these water saving kitchen actions

Wait until the dishwasher is full before turning it on

Fill up a bowl in the sink to wash veges instead of using running water

Defrost food in the fridge, instead of with hot water

Only run the tap when you need to. Consider installing a tap aerator

Compost food scraps instead of using a waste disposal

Keep a jug or bottle of water in the fridge in summer for drinking so you don't have to run the tap until cold
